

Leadership Reflection

For each response, please provide specific examples.

1. Describe your leadership experiences and articulate what you have learned about the practices of effective leadership
2. Describe the impact your experience had on your capacity to respect multiple perspectives and build collaborative working relationships with others.
3. What have you learned in order to enhance your leadership capacity?
4. How will you apply what you have learned about leadership in your future endeavors? Include your reflections on what you believe you still need to learn to be more effective in your leadership capacity.

*Scores of 3 or above in each of the four Reflection Areas must be achieved for the area to be approved. If your reflection is not approved, you have **one week to revise** and resubmit. You only have **one chance to revise**. If your reflection is rejected a second time, you must submit a formal appeal.*
